

COOKEDLOCAL.COM

ACCESSIBILITY STATEMENT

COOKEDLOCAL.COM is fully committed to ensuring its website is accessible and inclusive for all its users, whether you use a text browser, screen reader or other assistive technologies. In order to achieve this, our site is in compliance with the guidelines provided by the W3C Accessibility Initiative.

We have worked hard to make this site accessible to everyone and to ensure a better experience for all users and all technologies. However, maintaining an accessible website is an ongoing process and we are continually working to improve the site for all users. Should you have any comments or questions about the accessibility of this site, please [contact us](#). We welcome your constructive feedback.

Design standards

The design standards below apply throughout our website.

Text resizing

The modern browsers we support (Firefox 3.6 and later, Internet Explorer 7 and later, Chrome (latest version) and Safari 4.x and later) feature in-built accessibility tools, including zoom and text-resizing.

You can change the text size or adjust the page zoom in your browser by following these instructions:

- PC / Internet Explorer 7:

From the menu bar underneath the search field, select Page and point to Text size

- PC / other browsers:

Increase page zoom: Hold down the CTRL key and press + Decrease page zoom:
Hold down the CTRL key and press -

- Mac / all browsers:

Increase page zoom: Hold down the Command key and press + Decrease page zoom:
Hold down the Command key and press -

Access keys

These can be accessed in the following way:

- PC: hold down Alt

- Mac: hold down Ctrl
- Firefox 2: hold down Alt and Shift

Then press one of the keys listed below:

's' to jump to the content

'0' to jump to the site navigation

'4' to jump to the site search

'8' to see our terms and conditions

'c' to jump to the comments (where comments are available).
